This beautiful new Annesgrove floor plan has 2,154 square feet. With three bedrooms, two full baths, a two car garage, and full basement, it could be perfect for you. The kitchen offers upgraded Gemloc countertops, recessed light fixtures, and an extended kitchen island perfect for entertaining your guests. Other upgrades include a double garage door with Craftsman style windows, radiant heated floors in garage, a gas fireplace, air conditioning, and extensive landscaping. The master suit offers a walk-in closet and private full bath. As usual the laundry hook up is on the first floor. The Homeowners Association will take care of the lawn and snow removal. Please come and take a look at this wonderful home and make it your own!
